

ANNUAL REPORT FY2017

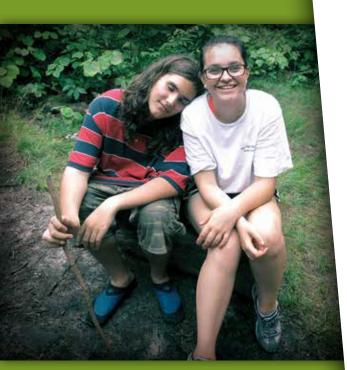

VCRHYP: THE COALITION

VCRHYP ensures the existence of a statewide network of local services for Vermont youth who are disconnected from their families, experiencing homelessness, or are at risk of becoming homeless.

All Vermont youth should have a safe place to stay and access to supports as their build permanent connections and skills for long-term stability and well-being.

"I didn't know that there was a program that helps people like me. I feel hopeful."

- youth served by Youth Services (Brattleboro)

Letter from the Director:

Coalition work is like a three-legged stool; we are only as strong as our individual agencies, our collective impact, and our partnerships. Each individual leg needs to be attended to and reinforced, and while none need to hold the weight for all, each needs to be steady and responsive to shifts and maintain balance. FY17 was a well-balanced year.

VCRHYP worked diligently this past year to support individual agencies by defining program standards, enhancing training and program support, redeveloping outcomes and performance measures, and our ability to report on them. We completed a transition to a new database and increased capacity to support member agencies at the statewide level through a new database administrator role.

We harnessed our collective strength and sustained a vibrant community of practice. Representatives from Coalition agencies gathered monthly to share resources, learn from each other, and define and further our shared work. We aligned with nationally unifying outcome areas and worked to inform national policy and initiatives with local perspective. We also realized a victory in state policy, lengthening the amount of time VCRHYP agencies can shelter an unaccompanied minor from 7 to 21 days, allowing youth and families to engage in more stabilizing supports and thus reduce the reoccurrence of crisis.

VCRHYP continues to build key partnerships and expand capacity across systems for responding to youth homelessness. In March, we kicked off an exciting new initiative in partnership with the Vermont Coalition to End Homelessness and the Chittenden County Homeless Alliance. Stakeholders, including youth-care workers, housing providers, education and workforce development representatives and more joined together to begin to develop a statewide plan to end youth homelessness, with a projected report release in Summer of 2018, that will look broadly at systems, services and resources.

Each leg of our stool is strong and works with the others to maintain our balance. We end this year looking optimistically towards the next, feeling confident in our foundation. Thank you to all of our supporters who have helped us along the way, and most importantly, thank you to the youth we work with who continue to teach us how best to support them. May we all have a safe place to sleep.

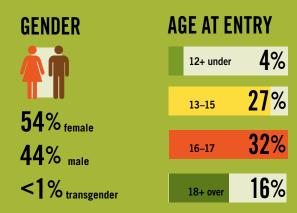

Sincerely;

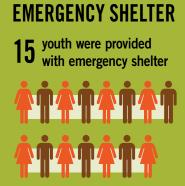

Bethany Pombar

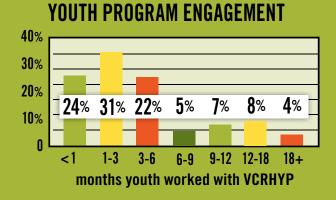

YOUTH AND FAMILY STABILIZATION SERVICES & RUNAWAY SUPPORTS

VCRHYP works to stabilize youth in crisis and preserve families in order to prevent young people from running away from home and help those who already have. Youth are provided with 24-hour access to safe shelter and supports to meet their basic needs. Member agencies share a commitment to work with the youth and their families through crisis intervention, case management, counseling, mediation and supportive services.

In FY17, 250 YOUTH received runaway & family stabilization services through VCRHYP.

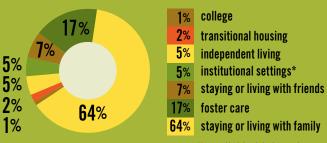

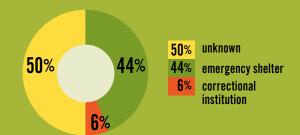

2%	pregnant / regnant partner
4%	Hispanic / Latino
6%	homeless
86%	precariously housed
9%	people of color
18%	LGBQ
24%	involved with DCF
31%	family involved with DCF in the past

*(e.g.: psychiatric hospital, substance abuse treatment facility, residential placement)

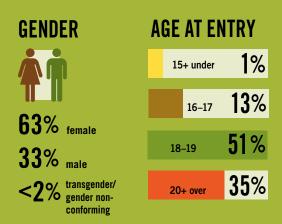

11% UNSAFE EXIT DESTINATIONS

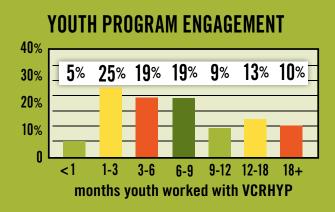

INDEPENDENT LIVING AND HOMELESS YOUTH SUPPORTS

VCRHYP helps transition age youth up to age 23 who are homeless or at risk of becoming homeless make a successful leap into adulthood by helping them re-engage with education, increase employability, and build vital life skills. Youth participating in this program receive housing supports and / or intensive case management to help them achieve sustainable self-sufficiency.

In FY17, 211 YOUTH participated in VCRHYP's Independent Living Programs.

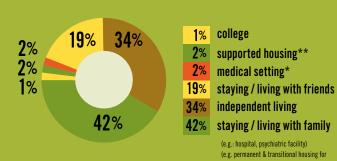

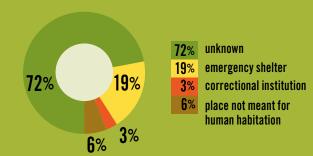

4%	Hispanic / Latino
6%	involved with DCF
